Introduction

Hi I'm I think it's great that you're doing an interview with us! I'm going to ask you a few questions now. There are no right or wrong answers for these questions. We just want to know your personal opinion. So sometimes I will read you sentences, and you can tell me if you think they are right or not so right. I won't tell anyone what you say.

Int: If the answer format changes, always read out loud! If the questions are long, take the time to ask the child if he/she still has an overview of all the answer categories (especially with the eight-year-olds).

In order to send you a proper letter to announce when the interview should take place, we need your complete name and address.

Int.: Get full address: If respondent hesitates or refuses: We just need your address to send you an own cover letter. Of course you can decide whether or not you want to participate in the study next year.

First name: _____
Last name: _____
Street: _____
House number: _____
Postal code: _____
City: _____

- Address received 0
- Same address as Anchor 1
- Address not received 7

Respondents who consented to attend the adult survey or who don't know (ccp1 = 1 or 3).

*Check: If first or last name is not indicated: "Please enter first and last name, at least."
If street name, house number, postal code or place of residence is indicated and the same time ccp2=1 or 7: "An address was indicated but the same time [if ccp2=1: "the same address as the anchor"] [if ccp2=7: "address was not obtained"] Please correct your entry!"*
