Introduction

Text 7

This questionnaire refers to the child named _____.

For making reference to children in this questionnaire, we always use the term “my child” or “your child” for the sake of simplicity. Please be aware that these terms are meant to apply also to children who may not be your biological children but are rather your partner’s children, foster children, or adoptive children.

Thank you very much for participating in our study of intimate relationships and family development. In the following, we would like to ask you some questions about your child and your relationship to your child.

We hope you have fun filling out the questionnaire!
