## Introduction

Text 1

**Dear Participant,**

Thank you for participating in our survey!

**Please read these instructions carefully before proceeding with your answers.**

First of all, please remember that the questions regarding your son/daughter refer to the son/daughter who was named in the letter accompanying this questionnaire. As mentioned, this may be your stepson [stepdaughter], your foster son [daughter], or you adoptive son [daughter].

Some of you are presented questions referring to a specific grandchild mentioned in the cover letter. This grandchild is a randomly selected child living with your son [daughter]. If the cover letter does not make mention of a grandchild, please skip the corresponding questions in the questionnaire.

If you've ever participated in this survey, you will probably be familiar with some of the questions. Please answer all questions anyway. The answers allow us to detect changes in participants' attitudes, behaviors, and living conditions.

We are interested in your personal opinion and your experiences. There are no right or wrong answers to these questions - only your personal assessment and experiences are of importance to us. The numbers in small print next to the answer categories are for data processing only; they are not used for a normative evaluation of your answers. Please fill out the questionnaire by yourself.

Here are two examples:

(omitted)

Please proceed line for line, question for question. Do not skip any questions unless the text expressly instructs you to do so.

**We hope you enjoy filling out the questionnaire!**
