International pairfam-Conference on Intergenerational Relations

September 22-24, 2010

Chemnitz, Germany

CHEMNITZ UNIVERSITY
OF TECHNOLOGY

Funded by the
German Research Foundation (DFG)

Program

The pairfam-project is a representative panel study for analyzing close relationships and family relations in Germany (<http://www.pairfam.uni-bremen.de>). An international conference on intergenerational relations will be held at Chemnitz University of Technology, Germany. The aim of the conference is to stimulate exchange among scholars from all over the world who are interested in both theoretical and empirical development in the field of intergenerational relationships.

Wednesday September 22nd
