

Form for the Distribution of the 50% Teaching Version of the Data from the German Family Panel pairfam

According to § 5 of the user contract, contractually authorized data users are permitted to distribute the 50% teaching version of the data from the pairfam study to participants of their academic courses. The precondition for the internal distribution of data is the existence of a user contract with pairfam on the part of the distributing party.

The pairfam research data center user support is to be informed immediately and without request about any distribution of data. Please send the completed and signed form via e-Mail as one .pdf document (also possible via fax or mail) to:

- » [pairfam Nutzerservice](#) | [LMU München](#) | [Institut für Soziologie](#) | [Konradstr. 6 80801 München](#)

1. Distributing Person (→ with a valid pairfam user contract)

Name	
------	--

2. Data Recipient

Name	
University/Institution	
E-Mail address	

3. Course Title

With my signature I confirm that the pairfam data will only be used for scientific purposes in the aforementioned course by the approved person only. Any commercial or economic use is not permitted. The presentation or publication of single cases is not permitted, even if no direct connection to any real person can be made.

The pairfam data are to be handled confidentially. I hereby comply with the regulations of the General Data Protection Regulation (GDPR) and assure that no third party has access to the data by using appropriate technical and organizational precautions, including the safe storage of all pairfam data sets, at least via the use of passwords. Distribution of the data is not permitted. I refrain from any and all action aimed at, or capable of, disclosure of any pseudonymized or anonymized statistical information included in the data for the purpose of identifying respondents. Violations of the General Data Protection Regulation (GDPR) may be punished by a fine or imprisonment.

After completion of the aforementioned course, I am obligated to erase all data. I also agree to the storage of the personal information contained within this form.
